Würth carries a wide variety of specialty adhesives for any and all situations. Available in single and multi-part polymers, all adhesives meet the highest standard of quality for strength, cohesion, versatility, and convenience.

### **KLEBFIX Easy Pen** 893.090030

In the innovative, patented Easy Pen design

- Even easier, more practical handling
- Fits ergonomically in your hand
- The base of the Easy Pen provides stable, secure support
- The lever permits easy, problem-free use without great force
- Requires less effort from the user
- Allows the user to work longer without fatigue
- The lever presses into the softest part of the bottle, allowing the bottle to be made of hard material, to help prevent moist air from penetrating the bottle and causing the adhesive to harden
